# 生活支援マップ

The diagram is a life support map. At the center is a yellow rounded rectangle labeled "家族" (Family). Below this label is a section for "本人" (Person) with fields for "なまえ:" (Name), "生年月日:" (Date of Birth), and "☎:" (Phone), followed by a red-bordered box labeled "写真" (Photo). Surrounding the central box are eight light green rounded rectangles, each with a solid top line and three dashed lines below, connected to the center by dashed green lines. The entire map is supported by an orange trapezoidal base.
