

Notice from
Nagareyama City

Nagareyama City
Chiba, Japan

Temporary measure has ended

From **September 1**,
please use
designated garbage bags
to dispose of your waste.

Collection staff will not collect non-specified bags.

Due to the impact of the situation in the Middle East, a temporary measure was implemented allowing the disposal of waste in specified garbage bags temporarily. However, as the sales situation of specified garbage bags at retail stores within the city has improved, the temporary measure will end **as of August 31, Reiwa 8.**

From September 1 onward, burnable garbage and container and packaging plastics must be put out in Nagareyama City designated garbage bags.
